THE LOCAL AUTHORITIES PENSION ACT

Legislation

An amendment to The Local Authorities Pension Act enacted at the 1965 session of the Legislature provided for changes by regulation that would be required if employees of local authorities were to become participants in the Canada Pension Plan. Subsequently an agreement was made between the Governments of Canada and Alberta, and, effective from January 1, 1966; the Local Authorities Pension Plan was integrated with the Canada Pension Plan. By order of the Lieutenant Governor in Council the regulations were altered as follows:

- (a) The rate of employee contributions was reduced from 5% to 3.5% of the rate of salary up to \$5,000 per annum.
- (b) The rate of employer contributions was reduced from 6% to 4.5% of the rate of salary up to \$5,000 per annum.
- (c) The normal pension for each year of service subsequent to January 1, 1966 was reduced from 2% to 1.4% of the average annual rate of salary up to \$5,000.

This resulted in the employees' and employers' contributions to the two pension plans remaining very close to the former rates under the provincial plan, and in improved pension benefits.

Reciprocal Transfer Agreements

A reciprocal transfer agreement was entered into with the Government of Canada Superannuation Branch.
